INDEX

STUDENT

FOUNDATION

ADMINISTRATION

Within the following pages you will find a more or less accurate guide as to how many times you and your friends stood before a camera, hidden or otherwise.

In a time when space is so important, not to be outdone, we have used our index for a dual purpose. Gaily interspersed among our myriad of names, you will find varied and we hope unique scenes around yours and my favorite campus. Unfortunately, it was impossible to index these photos — we ran out of space.
